

## We need to hear from you!

Aberdeen is a growing community and a regional center for commerce, healthcare, and industry. It's also the seat of an interconnected small town community (made up of **you** all) and set in an astounding natural environment. As Aberdeen grows and changes, we need a sound plan to guide our city's future.

The City of Aberdeen is updating its **Comprehensive Plan**, which guides the City's day-to-day decisions and investments over the next 20 years, sets a framework for how and where residential and employment growth should go, and identifies community priorities for transportation, parks, utilities, and other public facilities. **We need to hear your ideas about Aberdeen's future to make sure we get it right!**

- What's best about Aberdeen and should be protected and enhanced?
- How should Aberdeen grow and change over time?
- Where should the City invest and prioritize its resources?
- What are the most important ways to get around?

### Give us your thoughts in the following ways:

- **Please fill out this survey by Tuesday, September 7:**  
<https://www.surveymonkey.com/r/ACPSURVEY1>
- **Join us in person for an informal conversation!**
  - **Aberdeen Sunday Market**, Aug 22 and 29, 10am-2pm, 105 W Heron St—Liz Ellis and \_\_\_\_ will be standing with clipboards hoping to get your thoughts
  - **Sunday BBQ with the Mayor**, Aug 22, ...
- **Sign up for the project email listserv or contact us to visit you where convenient** (e.g., PTA meeting, your business/nonprofit's board meeting, religious institution small group, neighborhood picnic, etc.) by emailing Lisa Scott at [lscott@aberdeenwa.gov](mailto:lscott@aberdeenwa.gov)
