

“The Buddy System”
“Play it Safe” Bring **someone** with you **wherever** you go. A buddy ought to be someone who can **protect** and take care of you.

A Buddy can be::

Mom, Dad, Grandpa, Grandma, an Older Sibling, or a Friend. Take a **walk** with a buddy, **ride** bikes with a buddy, and go to the **market** with a buddy. Remember, it's always **safer** to be with a buddy.
