IN CASE OF EARTHQUAKE, GO TO HIGH GROUND OR INLAND

A horizontal scale bar with a black background and white markings. It is divided into four equal segments by white vertical lines. Below the bar, the text "SCALE 1:16,000" is on the left, and "miles" is centered under the second segment. The numbers 0, 1, 2, 3, and 4 are placed at the top of the bar at each division point.
